

FREE MONEY!

We have a great opportunity to earn FREE MONEY for our school by shopping at any Kroger store nationwide. You do not have to any door to door sales, pick up or deliver any merchandise, all you have to do is something you are doing anyway and that is grocery shop, and gas up your cars!

How to get the Money:

1. "Purchase" a Kroger Gift Card from the school for \$5 (actually the card is free because it has \$5 preloaded on the card) and use it at any Kroger store in the nation. These cards are "purchased" by the PTO and have an assigned school number to them to ensure A+ gets its portion of the proceeds. The school will receive one check each month for all the purchases made by our school supporters. You can buy extra cards for family members and friends (grandparents, college students, neighbors, anyone who would use the card). Perhaps you do the shopping for an organization; you can purchase a card for them and still support our school.
2. Once you have your card, go to any Kroger and "load" your card at the customer service desk or any register. You can load your card using cash, check, or credit card. Just load up what you think you will use. The school will receive 5% of what is loaded on the card.
3. In addition to grocery purchases, gas and pharmacy purchases are included as well!

We would love to have 100% participation! We have over 500 families in our school. If just 250 families participated and just spent \$100 a month at Kroger using the card, A+ would receive \$1250 each month. Some families will spend more, some less but just think what we could do if we all participated!

Please fill out the form below and return to school by Friday, September 10th. Include a \$5 check and the Kroger card with \$5 preloaded on it will be sent home with your student.
